Dear Parent/Career,

Welcome to the start of the Autumn Term 2025. We have had a wonderful week welcoming our pupils and staff back to school and we are very excited for the year ahead.

In this letter there is some key information about Sparx Maths, Sparx Science and Sparx Reader homework and what is in place to support pupils in school if they have any issues with accessing their homework.

- Sparx Maths is set every week for pupils in Years 7-11
- Sparx Science is set every week for pupils in Year 7-11

- Any pupils who have issues with completing their homework during this first homework week must see their maths, science or English teacher or their HART Coach to help address the issue.
- After the first week we hope all issues will have been addressed and pupils will be able to complete their homework but if there are any issues after this they must see their HART Coach as soon as possible.

Recall of knowledge and independent practice are key elements of how we support pupils to make good progress in lessons. Homework is a further opportunity for pupils to practice knowledge recall and complete independent practice. It is important that all pupils can access and complete their homework each week to ensure all pupils have equal opportunities to make good progress over the year.

If you have any questions about homework please contact your child's HART Coach or email homeworkHHA@hartshillacademy.org.uk

Yours Sincerely,

Lorraine Taylor
